## **Congratulations! Two Scholarships Awarded for 2018!**

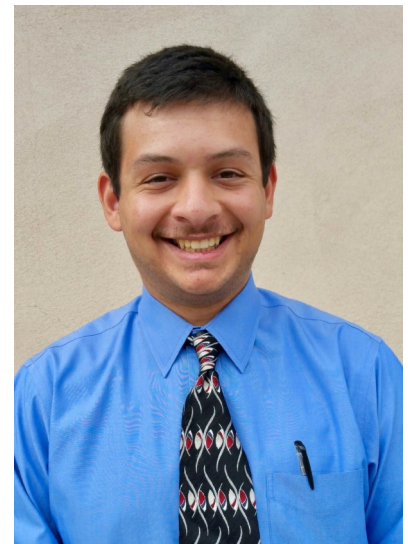

The LeRoy W. Homer Jr. Foundation is proud to announce the selection of **London Holmes** and **Angelo Cervantes** as the 2018 scholarship recipients. We have not awarded two scholarships in the same year since 2005 and it is due to the strong donations and support that makes it possible. Thank you!! Meet our 20<sup>th</sup> and 21<sup>st</sup> recipients of the LeRoy W. Homer Jr. Foundation scholarship program:

London attends Sammamish High School in Bellevue, WA. She is active in Civil Air Patrol, Red Tailed Hawks and the Museum of Flight. London attended Oshkosh with Boeing's 100-year celebration and Tuskegee Airmen Camp. Next year she will attend Aeronautical Science Pathway through the Museum of Flight. Her goal is to become a United States Air Force pilot. London is fortunate to have three strong women who continue to motivate and inspire her to be her best: Her mother Sherrie Holmes, and her pilot mentors Kimberly Ford and Anne Simpson. She is eager to devote her summer break to flight training.

Angelo is a Class of 2018 high school graduate of Mountain Valley Academy in Ramona, CA. He is an Eagle Scout, active in his Aviation Explorer's #120 post as a founding member, and was a volunteer at Oshkosh 2017. Angelo has been working to earn his sailplane certification and plans to attend Arizona State University this fall in the Professional Flight program. Angelo plans to become an airline pilot and hopes to encourage other young people by participating in EAA Young Eagle flights. He will work to complete his private pilot certification over the summer break.

We are honored to welcome these two young aviators to the LeRoy W. Homer Jr. Foundation family!  
Congratulations London and Angelo!

*The LeRoy W. Homer Jr. Foundation is a 501(c)(3) non-profit organization that was established to provide financial support and encouragement to young people, with an interest in aviation, to pursue professional flight instruction leading to certification as a private pilot.*
