Welcome 2020 Scholarship Recipients

We have the pleasure of awarding 2 scholarships this year. Our recipients are Andrew Fox and Megan Schleifer!

Andrew Fox is a 2020 graduate of Saint Joseph Academy in Saint Augustine, FL. Throughout his high school years, he was involved in sports – lacrosse, sailing, cross country, track and field, while also maintaining a high GPA and being inducted into the National Honor Society. He also took time to give back, from helping to feed the homeless in his community to serving overseas on mission trips. Andrew will attend the University of North Florida this fall and major in computer science. His goals include serving his country in the United States Air Force and then flying for the airlines.

Megan Schleifer is a 2020 graduate of Brick Township High School in Brick, NJ. Megan has been busy throughout her high school career, participating in numerous clubs and serves as Vice President of the National Honor Society. In just four years, she has completed over 400 hours of community service. Along with maintaining a high GPA and staying involved in high school activities, she also started flight lessons. She will attend Auburn University this fall and major in professional flight. Her goal is a career in aviation, first as a Certified Flight Instructor and then when she has enough hours and experience, she aspires to become a commercial airline pilot.
