Grant Awarded for the 2nd Year!

We want to share some great news. Our foundation was awarded a generous

grant from the Ray Foundation for the second year in a row. The Ray Foundation's mission is to encourage the potential in the youth of America by enabling them to develop life skills such as self-discipline, self-confidence, and self-reliance. In keeping with the spirit of their founders, the Ray Foundation primarily supports education programs and organizations with a focus on aviation and aerospace. We are so thankful for their generosity in supporting our mission to create the next generation of pilots. Please visit rayfoundation.us to learn more about this amazing foundation.

When once you have tasted flight, you will forever walk the earth with your eyes turned skyward, for there you have been, and there you will always long to return. - Leonardo DaVinci

2020 Scholarship Recipients Are Officially Pilots!

We are so excited to announce that both of our 2020 scholarship recipients, Megan Schleifer and Andrew Fox, completed their private pilot training and are officially pilots! What better way to wrap up a year full of unprecedented change. We are thankful our recipients could not only continue their flight training this year but complete it in this COVID-19 climate. Good luck Megan and Andrew!

We will be hosting a 20th anniversary commemorative event honoring Sept 11, 2001. Please save the date! More details to follow.
