On this upcoming Giving Tuesday, please consider supporting the LeRoy Homer Foundation. Every year we have the honor of awarding aviation scholarships that change the lives of young men and women. Your financial support is what makes this possible. Donate today at [www.leroyhomer.org](http://www.leroyhomer.org).

## 5K Event A Huge Success!

Our 1st annual 5K / 1 Mile Walk event in Evesham, NJ was a huge success. The Memorial Sports Complex, home to one of LeRoy's memorials, was the perfect setting to kick off our inaugural event. We had over 150 in person participants and over 50 virtual ones.

Special thanks to all those who made that day possible - Evesham Police, Evesham EMS, Mayor Jackie Veasy & Councilwoman Heather Cooper. Our amazing sponsors - Bradley Funeral Home, Sargent Wealth Management, Cuba Libre, Shin Center of Integrative Sports Medicine, Moorestown Eye Associates, Soul Tree, Restore Health, Wawa, Mazzucco & Co. CPAs, Prime IV Hydration & Wellness, and Beyond Aviation. And of course, all the participants! Without you there would not be an event.

Your support of our events makes it possible for us to continue to help young adults become pilots. Be sure to join us next year from wherever you are!

*Save the Date For Our Next 5K - Sunday, Sept 7, 2025*

## Dr. Geoffrey E. Clark & CHI Aerospace Philanthropy

We are excited to share news of new endowment donations we are receiving through our relationship with CHI Aerospace in Portsmouth, NH by the Clark Foundation on behalf of and in memory of Dr. Geoffrey E. Clark. Dr. Clark was a beloved member of the New England coastal community; a gastroenterologist, pharmaceutical entrepreneur, philanthropist, documentary filmmaker, sailing lover and a pilot. Following his passing in January 2023, his estate gave direction for the sale of three aircraft he owned designating they be used for flight training with a portion of the proceeds donated into an endowment to support the future flying dreams of the next generation of aviators.

Following our work in 2023 with CHI Aerospace completing the flight training scholarship for recipient Kani Gutter, Michael Roberts (Operations Manager & Chief Flight Instructor) reached out to us to explore an opportunity to fulfill Dr. Clark's wishes through our ongoing mission to support young adults who wish to pursue careers as professional pilots and increase awareness to the field of aviation. We are grateful to have this opportunity to honor both LeRoy and Dr. Clark.

We have already received donations totaling \$5000 in Dr. Clark's name and we look forward to our connection to the New England coastal community long after our initial experiences with CHI Aerospace Flight Training. We would like to thank Dr. Clark's family, the Clark Foundation and the team at CHI Aerospace for giving us this unique opportunity to honor and remember two great men and their love of flying.

## Donor Acknowledgments - Earning Their Wings

Thank you for your ongoing support. Without you, it would not be possible for us to continue awarding flight scholarships. In addition, thank you to all the United Airlines employees who give recurring donations in the Employee Charitable Giving program. Information is available at [www.justabuck.info](http://www.justabuck.info). Due to space, we cannot acknowledge everyone here.
